

TDog Taekwondo

Site Images Key

31 shared images used across the site

How to use

Every non-gallery image has a permanent label:

BR = brand (logo / badge) H = home P = programs S = schools C = competitions

To swap an image, quote the label: "Use C5 for the International banner".

Many P labels are shared across pages, so a swap changes every page that uses it unless you ask for one page only. Video tiles are marked with a play icon.
